

**CRS ACTIVITY 510
PROGRESS REPORT ON IMPLEMENTATION OF CREDITED PLAN**

Date this Report was Prepared: September 27, 2018
Name of Community: City of Friendswood
Name of Plan: Galveston County Hazard Mitigation Plan
Date of Adoption of Plan: April 3, 2017 (Resolution attached)
5 Year CRS Expiration Date: February 2022

1. How can a copy of the original plan or area analysis report be obtained?
 - The current adopted Galveston County Multi-Jurisdictional Hazard Mitigation Plan is posted on the Galveston County Office of Emergency Management website located at: https://s3-us-west-2.amazonaws.com/uasi-jtti/wp-content/uploads/sites/31/2018/09/26095742/Galveston-County-2016-2020-HMP_Approved_02-17.pdf
 - Once the updated GC MJHMP has been uploaded to the TDEM web portal, a link will be placed on the COF website.
 - The current adopted City of Friendswood Hazard Mitigation Plan will be placed on the City's website at: <https://www.ci.friendswood.tx.us/hazard-mitigation-plan>
2. Describe how this evaluation report was prepared and how it was submitted to the governing body, released to the media, and made available to the public:
 - This report was developed by the COF OEM and presented for approval to the Hazard Mitigation Committee at a meeting held on September 27, 2018. Once approved, the report was forwarded to the City Manager and will be included in the City Manager's Report to City Council regarding Hurricane Harvey updates at the regularly scheduled City Council Meeting on October 2, 2018.
 - City Council meetings are open to the general public, and is posted on the City's website following the meeting.
 - City Council meetings are also available on the PEG (public, educational and government access television) on local cable television.

3. Provide a description of the implementation of each recommendation or action item in the action plan or area analysis report, including a statement on how the project was implemented or not implemented during the previous year:

- *Annual Progress Report, Galveston County Multi-Jurisdictional Hazard Mitigation Plan of the City of Friendswood's mitigation action items.*

4. Discuss why any objectives were not reached or why implementation is behind schedule:

- Lack of funding

5. What are the recommendations for new projects or revised recommendations?

- 26 additional Action Items were identified following Hurricane Harvey, August 2017, and added to the 2015 City of Friendswood Hazard Mitigation Plan. The City's amended Mitigation Plan has been submitted to TDEM. The additional supplemental Action Items were also submitted to the Galveston County Office of Emergency Management for inclusion in the Galveston County Multi-Jurisdictional Hazard Mitigation Plan to be submitted to the Texas Division of Emergency Management web portal.
- As of this review, no additional mitigation action items were identified and/or developed.
