## *Friendswood Family Chiropractic Clinic*

### *Dr. Monir Moghaddam*

**D**r. Monir Moghaddam has operated Friendswood Family Chiropractic Clinic in downtown Friendswood since 2002. She offers the latest technology in non-surgical spinal decompression, cold laser therapy, nutrition counselling, and acupuncture services. In 2012, with the assistance of the City of Friendswood's municipal grant program, Dr. Moghaddam relocated and expanded her clinic to its current location at 1111 S. Friendswood Drive, occupying 2,000 square feet with two employees.

Dr. Moghaddam has been a resident of Friendswood for over twenty-six years. She grew up in Urmia, West Azarbaijan, Iran, and later moved to Besancon, France where she studied and eventually married in 1980. After immigrating to the United States,

she lived in Pearland before moving to Friendswood. Dr. Moghaddam said "Besides the great schools and city amenities, my family has always felt very safe here and we love the location and proximity to everything." Dr. Moghaddam graduated from San Jacinto College with an associate of art in science degree. She then attended the University of Houston Main Campus. Later she went on to receive a Bachelor of Science in human biology and her Doctorate from Texas Chiropractic College in Pasadena in 2000. Dr. Moghaddam said "I love living and working in Friendswood. People are more attentive about their health in seeking prompt medical care." She has completed over four years of chiropractic clinical rotations at the Moody Health Center and has trained with Dr. Edward Murphy, Neurosurgeon at Methodist Hospital. To stay current, Dr. Moghaddam has participated in extensive training and research and has spent hundreds of hours reviewing the latest information in a variety of health related fields.

Dr. Moghaddam is certified by the Texas Board of Chiropractic Examiners and the National Board of Chiropractic Examiners. She is a member of both the American and Texas Chiropractic Association. Additionally, she has received the Certificate of Proficiency in Clinical Electrophysiology

Evaluation (Clinical Electromyography), the Award of Excellence in Applied Clinical Nutrition, Certificates in McKenzie Mechanical Diagnosis and Therapy of the Lumbar, Cervical and Thoracic Spine, International Chiropractic Pediatric Association of Proficiency in the Webster Technique, and the Acupuncture Certification Program. Dr. Moghaddam stays active in the community with the Friendswood Chamber of Commerce and Friendswood Rotary Club.

Dr. Moghaddam provides patients with high-quality chiropractic care through a corrective and wellness approach. Individualized care is what sets Dr. Moghaddam apart from others in her field. At Friendswood Family Chiropractic Clinic, everyone receives personal attention.
