IRRIGATION DRAWING REQUIREMENTS

- Show location of water meter
- Show location of backflow protection device
- Show location of rain sensor
- Provide gallons per minute for each zone
- Provide a compass or north arrow
- All plans to have a State of Texas Licensed Irrigator stamp (wet seal)

DO YOU WANT A SEPARATE WATER METER FOR IRRIGATION?

1. Contact the Utility Billing Department for water billing rates 281-996-3232.
2. A licensed master plumber applies for a separate plumbing permit to install the water meter using either a “tee” fitting **OR** a new water tap. Contact the Public Works Department for installation requirements 281-996-3380.
3. The homeowner then submits a Utility Service Connection application and purchases the water meter.
